

CHARITHA SRI KUNAPAREDDY

SOFTWARE DEVELOPER

Pappulamillu Center., Vijayawada | charithasri.kunapareddy@gmail.com | [charitha_sri_linkedin](#)

SUMMARY

My most valued assets include strong communication, creative problem-solving, and organizational skills, which I am eager to apply in a software development role at your company. As a dedicated and collaborative team player, I bring a proactive approach to developing innovative solutions and can be relied upon to contribute effectively to achieving your organization's objectives

TECHNICAL SKILLS

- Python
- C
- C++
- HTML,CSS, PHP
- MySQL
- Computer Networks
- Team Player
- Communication
- Adaptability

PROJECTS & INTERNSHIPS

Saloon management system website

- Developed an intuitive online web-based management application with appointment scheduling functionality, enabling users to easily access information about services, offers, and stylists. The system allows users to seamlessly book appointments with their preferred stylist and cancel them anytime. The application is designed for ease of use, providing an efficient experience for both customers and salon management.
- Technologies Used: HTML, CSS, JavaScript, PHP, MySQL

Salesforce developer catalyst

- Learned new emerging technologies currently used in the industry, focusing on job-oriented skills.
- Gained insights into the working environment of the industry and its specific requirements.
- Developed essential skills such as communication, interpersonal abilities, and other critical skills necessary for the job interview process.
